LETTER OF APPRECIATION

I sincerely thank **Padmashali Akshay Devanand, Pratheek Shankar, and Shanti Srinivas Suresh,** bearing USN **4NM19IS106, 4NM19IS120,** and **4NM19IS148,** respectively, for their sincere contribution to the automation of Library Attendance System. The initial footfalls management system in the library was maintained manually by library staff. These students have addressed the problem and digitized the footfalls management system, which will effectively reduce time and increase the efficiency of the library. The current system is implemented in the **Central Library of NMAMIT Nitte of Nitte University**.

The Faculty of Information Science and Engineering Department and the entire library staff are indebted to their achievement.
